Idea Development

Like the foundation of a house, IDEA DEVELOPMENT serves as the solid base on which a good piece of writing rests. If you start with a solid idea, your writing can grow as big as you want.

Organization

ORGANIZATION is the structure of writing. Just as a house has an entrance, an exit, hallways that connect, and a sensible layout, so too does a piece of good writing. Blueprints are drawn before a house is built; writing should be "blue-printed" too!

Blueprints:

- appropriate graphic organizer used to plan writing
- the order of the writing makes sense
- the most important ideas receive the most attention
- transitions sound natural

Beginning:

- hooks or grabs the reader
- an inviting lead
- effective topic sentence
- shows where writing is going

Middle:

- parts fit together smoothly
- subtopics or parts are clearly separated
- ideas connect
- contains the "heart" of the writing

End:

- might leave you thinking or wondering
- makes the writing feel complete
- leaves the reader feeling satisfied
- ties things together

Title:

- hints at the writing's big idea
- is catchy
- makes sense
- is memorable

The author's VOICE—a.k.a. you!—should be present in every piece of writing you make. Sometimes your presence needs to be strong, but sometimes it should be kept subtle. How will you ensure that your reader recognizes this as your writing?

- sounds honest
- sounds sincere
- shows passion
- shows confidence

- energetic
- heart-felt
- author shows feelings toward topic (tone)
- author invites feelings from reader (mood)

- be either a storyteller or reporter
- showcase your techniques
- sound like you
- show personal risk

- shows an opinion
- considers perspectives
- audience awareness
- audience sensitivity

- writer knows own voice
- shows insight
- sounds believable
- writer owns topic
