# Expository Practice Prompt Two:

Books, movies, and television can offer opportunities to learn valuable lessons. Write about a lesson learned from a book, movie, or television show that proved to be of value to you.

**Pre-Writing Suggestion:** Have students read the prompt carefully over two or three times, then have them explain to a partner what specific details a scorer might be looking for in a sample that addresses all parts of the topic.

Then discuss what organization skills a writer would want to remember as they prepared to write a response to the prompt above.
