I Found 'It'

a poem by Albert, fifth grade writer

I found 'It'
before you could
find 'That'.

What is 'That'?

I know what 'That'
is because 'It'
told me what 'Itself' was,
and you didn't find
'That' before me, and 'It'
told me not to
tell you what 'That' was.

What do you like about Albert's writing style? Which writing trait(s) does he excel with?

What story or poem might you write inspired by this photograph?
