

As you teach your students *Constructed Response*, you will have students that it will come faster to. This second trait-based CR checklist should be only used by **those advanced** students before they finalize their constructed responses, and it should be used in addition to the more basic checklist.

### Constructed Response Checklist

Word Choice:

- Did you use all the key words from the prompt or question in your answer?
- In your answer, did you introduce names to your reader before you used any pronouns?

Sentence Fluency:

- Did you use thoughtful transitions between the different ideas in your answer?
- Are all your sentences proper sentences?

Voice:

- Did you write in the voice of a reporter, not a story teller?

### Constructed Response Checklist

Word Choice:

- Did you use all the key words from the prompt or question in your answer?
- In your answer, did you introduce names to your reader before you used any pronouns?

Sentence Fluency:

- Did you use thoughtful transitions between the different ideas in your answer?
- Are all your sentences proper sentences?

Voice:

- Did you write in the voice of a reporter, not a story teller?
